

## **GRADE 6 FRENCH IMMERSION SUPPLY LIST**

If your child has some of the following items already, there's no need to buy new while some packaged items can be shared among family members.

Included are a few specific choices that are helpful for organizing sheets of paper (e.g. pocket duo tangs), or for managing the trips between home and school (e.g. "pochettes" and homework folder). The rest of the list is standard, and quantities are guidelines for supplying your child with the tools needed for the school year.

Some items can be found at Dollarama, such as the courier bags and art books.
