

Grade 6FI Supply List 2023-24

If your child has some of the following items already, there's no need to buy new while some packaged items can be shared among family members. Included are a few specific choices that are helpful for organizing sheets of paper (e.g. pocket duo tangs), or for managing the trips between home and school (e.g. "pochettes" and homework folder). The rest of the list is standard, and quantities are guidelines for supplying your child with the tools needed for the school year.

Some items can be found at Dollarama, such as the courier bags, journals, coiled notebook and art books. I have included a link to a sample cart of checkout items with Staples. Other retailers have competitive prices for school supplies throughout the summer and early fall. **Please label items with your child's name.**

HB pencils

Erasers (good quality)

1 - Quality ruler (30 cm)

1- box of 24 Crayola pencil crayons
