

HOME & SCHOOL ASSOCIATION

Ecole Le Marchant St. Thomas School

2023/2024

The Home & School (H&S) Association (often known as Parent Teacher Association or PTA) is a committee of parent/guardian volunteers who host community and fundraising events at the school.

All money raised goes directly back to support the students through school events, special programming such as music, science, fitness and art workshops, student trips, the school musical, as well as class allotments to be used by the teacher for their class at their discretion.

Please **consider supporting the H&S Association by attending monthly meetings, organizing or volunteering at an event, becoming a member of the Executive Committee or sponsoring an event.** It is a fun and fulfilling way to meet great people from our community, interact with school administration and give back to this wonderful school!
