

Wozles Battle of the Books 2023

Reading List & Order Form

As always, the selections for Battle of the Books 2023 are not random. When we choose books for this list, we only select paperbacks (or, occasionally, specially-priced hardcovers) and try to include and balance the following: historical fiction; fantasy; classics and current novels; mysteries;

contemporary topic/problem novels; serious and humorous stories; adventure/outdoor/animal novels; award-winning books; and multi-cultural reflections. We have listed the books in alphabetical order by author and have noted Canadian titles with a 🍁.

Please note there is a block on the back to facilitate early registration of your school's team for Battle of the Books 2023. We offer a 20% discount for schools and libraries on all book purchases. Prices are subject to change.
